

Academic Excellence Award

We recognise outstanding academic achievement through our Academic Excellence Award.

Applicants who have achieved, or are expected to achieve, a **First-Class Honours degree (or recognised international equivalent)** may be eligible for a **10% reduction in tuition fees**

Eligibility

To be considered for the Academic Excellence Award, applicants must:

- Have received an offer to study on an eligible postgraduate programme at Sotheby's Institute of Art.
- Have achieved a **First-Class Honours degree**, or be currently completing their final year of undergraduate study and have evidence that they are expected to achieve a First.
- Provide appropriate academic documentation to support their eligibility, such as an official transcript, degree certificate or official predicted degree classification.
- Meet all other conditions of their offer.
- Applicants with international qualifications must provide official documentation confirming their academic achievement. Where documentation is not in English, an official English translation must also be provided.

Applicants currently completing their degree

Applicants who are still completing their undergraduate degree may be considered for a **provisional Academic Excellence Award** where their academic record and/or official predicted degree classification indicates that they are on track to achieve a First.

The award will remain conditional until the applicant's final degree classification has been confirmed.

If a First-Class Honours degree is not achieved, the provisional award will no longer apply.

Award

The Academic Excellence Award provides a **10% reduction in tuition fees**.

The award is applied directly to tuition fees and is not payable as a cash award.

How to apply

There is **no separate application form** for the Academic Excellence Award. Eligible applicants will be considered automatically as part of the admissions process.

Applicants may be contacted by the Admissions team if additional academic documentation is required to confirm eligibility.
